

# What Will Carley Craig Do Next?

By George V. R. Smith

**C**ARLEY CRAIG'S art is a blend of sculpture and architecture. His work is a fusion of the two, creating a unique and powerful visual language. His sculptures are often large-scale and made of dark, industrial materials like steel and wood. They are designed to be seen from multiple angles, creating a sense of depth and complexity. Craig's work is a reflection of his own journey, from a young artist to a mature and established one. His art is a testament to his creativity and his ability to push the boundaries of traditional sculpture.
